

Make a difference with the M-Club

The WestView Memory Care Unit at MSLCC utilizes music as a form of therapy for many of its residents. In 2015, the M-Club was able to purchase an electric piano for the unit. The previous piano required regular tuning which at times was disruptive to the residents. Through the generosity of the M-Club, the unit received a much needed blessing to enrich the lives of residents.

A history of giving back

Originally organized in 1968, the M-50 Club assisted Missouri Slope Lutheran Care Center (MSLCC) in achieving its mission of enriching lives. In 2003, the name was changed to M-Club.

Almost 50 years later, the M-Club continues to bless MSLCC. Funds contributed to the M-Club are for equipment or projects which enhance the lives of residents and

tenants. Donors may give contributions in honor of a living person, a special event, or in memory of someone.

Aviary in West Lounge provided through M-Club donations.
